HSM Lovers at HighSchoolMusicalFriends.com may publish a hsm wish list in just two steps:

1. Just Visit Amazon to Create A WishList. Add everything you can dream of, and be sure to publish it.

That way anyone can see what you want on the site, and they just may order it for ya!

2. Then, come back here to add your new wishlist ID to your profile highschoolmusicalfriends.com profile page.

Your ID can be found in the amazon url. It should be a combination of numbers and letters like this " 1KQNHDFOBKKNE "
