Fans are dying to see Miley Cyrus added to High School Musical 3. But it just wouldn't be right if she were to replace Vanessa Anne Hudgens.

Most HSM friends would'nt watch the movie if that were to happen. Zac and Nessa are so cute together. Zanesa forever!

But what if she came on as the new girl?

As Zac's little sister?

That would certainly add a twist to the story.

So should Miley Cyrus join HSM 3? Feel free to leave your thoughts, Add your comment.
